SCHOOL FEE PAYMENT INFORMATION

- I agree to pay a non-refundable annual registration fee of R600-00 and one month's school fee upon registration. I understand that I forfeit this registration fee if I decide not to place my child at Kids Academy Africa.
- School fees are payable monthly in advance before the 1st of every month. For example, January 2026 school fees will be paid by the 1st of January 2026. Please understand the school fees are discounted for advanced payments, late payments adversely affect the running of the school.
- If school fees accrue, the learner will be excluded from the school by the 5th of that same month, **therefore no leeway for default is allowed. Late payments are subject to surcharges of up to 10% interest @ 27% imposed on all late payments. If you fail to remedy late payments your child will be excluded from school and your account will be charged a R590 handing over fees. If you are unable to pay timeously you must make a written contract with the school via email immediately.**
- School fees remain unaffected if child / children are absent from school.
- The parent / guardian is responsible for one full month's written notice to withdraw a child from the school. Failing so, the parent / guardian shall be liable for full payment of school fees for 1 month. If the child/children leave school at the end of an academic year, the parent / guardian is still responsible for the December school fees. Outstanding fees will be handed over and listed on ITC. All fees must be settled in full before leaving Kids Academy Africa in order for relevant exit documentation to be prepared.
- Should you be in breach of contract for delayed payments, a letter of demand subject to a penalty fee of R250-00 will be sent around the 5th of every month.
- All fees must be settled in full before leaving Kids Academy Africa
