Please Note:

1. Please ensure all stationery and clothing are clearly labelled with your child's name and surname.
2. All stationery must be at school a day before the first day of term 1 in which is 12 January 2027. We will communicate drop-off dates and time for stationery during the week before school opens. We will not be accepting stationery on the first day of school as it becomes very difficult to sort out and takes away learners enjoyment of the first day of school.
3. Some stationery items may be reused the following year. In the last weeks of term 4, the class teacher will inform you of items that can be carried over into the new year, allowing you to adjust your list accordingly.
4. If any of the above items need to be replenished during or at the end of term for whatever reason, the teacher will notify you in advance. We have gone with low quantities for affordability purposes but things like erasers and glue should be bought termly.
