Please Note:

1. All stationery must be at school a day before the first day of term 1 in which is 12 January 2027. We will communicate drop-off dates and time for stationery during the week before school opens. We will not be accepting stationery on the first day of school as it becomes very difficult to sort out and takes away learners enjoyment of the first day of school.
2. Please ensure all stationery and clothing are clearly labelled with your child's name and surname.
3. Some stationery items may be reused or carried over in the new year in the last weeks of school your child's teacher will inform you of the items .
4. If any of the above items needs to be replenished during or at the end of term for whatever reason , the teacher will notify you in advance.
