Please Note:

1. All stationery must be at school before the first day of term 1 12 January in 2027. We will communicate drop-off dates for stationery during the week before school opens.
2. Please ensure all stationery and clothing are clearly labelled with your child's name and surname.
3. Some stationery items may be reused the following year. In the last weeks of term 4, the class teacher will inform you of items that can be carried over into the new year, allowing you to adjust your list accordingly.
4. If any of the above items need to be replenished during or at the end of term for whatever reason, the teacher will notify you in advance. We have gone with low quantities for affordability purposes but things like erasers and glue should be bought termly.
